

“Build to the Future”

with CCHS

East Wing

We really need your help to make this exciting project a reality. As we “Build to the Future”, we want to invite all of our members and friends to be a part of this exciting endeavor. We’ve designed a program to allow everyone to be a part of this project. If you’d like to make a donation, there are nine unique “giving levels”. All monetary donations of \$50.00 or more specific to our “Building to the Future” project will be permanently displayed on the “Honor Roll of Donors” at the Shelter. If you would rather, we also have many specific items you may choose to sponsor. This donation will also be displayed on our “Honor Roll of Donors”. Helping is easy! Just check any of the items below to indicate how you would like to help. Fill in your name and address at the bottom. Indicate how you would like the inscription to read, and also indicate if this is a memorial or honorary donation. Cut on the dotted line and return to us with your donation. If you would be interested in making your donation by payments through automatic transfer from your bank account, please contact staff at the Shelter and we will be glad to assist you. Thank you for caring!
